OFFICIAL FILE COPY RECLAMATION		
OCT 14 2008		
Code	Surname	Date
1002		
Copy to	1004	

I am Kara,
 Colorado Springs is a City
 that does not care about anybody
 but themselves. They need to stop
 selling water taps. When they
 send dirty water down Mountain
 Creek they think it is everybody
 elses duty to clean up their dirty
 and contaminated water. Colorado
 Springs does not want to be
 responsible for excess water
 they send down Mountain
 Creek. They really do not need all
 this water.

Sincerely,
 Kathleen Monson
